You are invited and encouraged to participate in the annual Christmas in the Village Parade in Eldersville, PA on Saturday, November 3, 2018 at 12:00 noon.

You can help us to celebrate by decorating a float with the colors of red and white to carry out the colorful theme of “WINTER WONDERLAND” Win a trophy for the best participant in the Parade carrying out the theme. You could drive your antique or classic car in the Parade; ride your horse; march in a band, dance school or soccer team. Bring fire trucks. The more participants the more fun it can be. If you have questions, please contact us.

Although it is not absolutely necessary, we would appreciate knowing if you plan to be in the Parade. It helps us in the planning. You can text, call or write. See information above.

The Parade lineup starts just over the crest of the hill at the Jefferson Township Municipal Building, 676 Cedar Grove Road, Burgettstown, PA 15021 **with lineup starting at 11:00 and the Parade beginning at noon.** To eliminate the traffic congestion at the Municipal Building, if possible please arrive by coming up Cedar Grove Road from Cross Creek Road, Avella. You could also take Strope Road to Meneely Road and then right onto Cedar Grove Road. These alternate routes will avoid going through the main part of the village and will have you turned in the right direction for the Parade. **The Parade ends at the Eldersville United Methodist Church where you will find delicious food and crafters.**

Visit the “Welcome House” in the center of the Village for information and a Directory.
